A HUGE Thank you for those that supported and tuned in to the events on [Soul-patrol.com](https://soul-patrol.com) concerning Jimi Hendrix's Black Legacy. Thanks [Bob Davis](#) and Mike Davis and their assistant Greer (sic) for moderating, producing, and all the behind the scenes work. Thank you to [Darrell McNeill](#) from the [Black Rock Coalition](#). Your input was very valuable. I also would like to thank Mr. [Ernie Isley](#) for taking time out of his busy schedule to ENLIGHTEN us about Jimi as a person. You dished out lots of nuggets and proceeded to testify on behalf of our good brother Jimi. Your own musical exploits have been numerous and great, but the humility you displayed was godly.
